## FUNDING INFORMATION

### *15 Hours Funding - for eligible 2 year olds*

Parents of children eligible to receive 15 hours funding for 2 year olds will usually receive a letter from the Early Years team at LB Hounslow. If you think you might be eligible and you haven't received a letter, you can check by following this link to the council's online eligibility checker:

<https://fsd.hounslow.gov.uk/kb5/hounslow/fsd/fel.page>

### *15 Hours Funding - for 3 to 5 year olds*

All children are eligible for 15 hours funding from the beginning of the term after their 3rd birthday. Funding is for 38 weeks (570 hours total) per school year (September to July). Parents need to complete a Parent Declaration Form which is available from ASK.

### *30 Hours Funding - for children who attend ASK Kindergarten and The Blue School or St. Mary's Nursery*

The Blue School and St. Mary's School claim the first 15 Universal hours funding. For eligible children, ASK can claim the 15 Extended hours which make up the 30 hours. To check eligibility, please follow this link to the GOV.UK website: <https://www.gov.uk/help-with-childcare-costs/>

For ASK to be able to claim the 15 Extended hours funding, parents must have applied for a 30 hour code by the deadline which is the end of the month before the start of each term i.e. August 31st for the Autumn term, December 31st for the Spring term and March 31st for the Summer term. Once parents have received the 30 hour code it needs to be given to ASK to complete an online validation before the funding can be claimed. Extended hours funding is for 38 weeks (570 hours) per school year (September to July). Parents need to complete a Parent Declaration Form which is available from ASK.

*Please note that your 30 hour code needs to be re-confirmed every 3 months by logging into your Childcare Services account.*
